# educational placemats

Eating can be fun! Learning can be fun! These beautifully-illustrated, educational placemats bring an extra dimension to mealtime. Dinosaurs! Horses! Maps! Alphabets! & More! Each border is filled with facts, information and games. "What is the highest place in the world?" "An elephant can weigh as much as a school bus!" Made of durable polypropylene, the 11"x17" placemats easily wipe clean after every meal.

*For ages 1-10*
