## kid's back packs

Beautifully designed, yet practical, sturdy back packs that are just the right size for young children. Made of high-quality materials. Our backpacks are simply designed with just enough storage to help keep active kids organized and ready to go! Back Packs are 11.5"W x 14"H.

*Each backpack has a special storage pocket for notes, school supplies or loose change and there's even a clip for a house key.*
