youth lunch boxes

Designed specifically for older children! After many requests for a line of lunch boxes for older kids, we asked our designers to come up with some styles that would appeal to children that have grown beyond dinosaurs and ladybugs. We're thrilled with the results. You'll find the same great quality and same great features that you've come to expect from Crocodile Creek. All of our lunch boxes have extra lining and padding to keep food fresh and protected. These lunch boxes should be a wonderful addition to your in-store selection and should increase your sales. Conforms to or exceeds U.S. and European safety standards. Lunch boxes are 10"W x 7.5"H x 3"D.
