

- Lead-safe, well-priced, beautifully-illustrated
- Insulated lining to keep food fresh
- Extra padding to prevent crushing
- Conforms to or exceeds U.S. and European safety standards

## kid's lunch boxes

Our Crocodile Creek lunchboxes have proven to be best-sellers in the marketplace. They're made of high-quality materials and are practical as well as beautifully-designed. They are a wonderful alternative to the mass market lunchboxes so prevalent in the marketplace. They're PVC free, phthalate free, lead-safe and conform to or exceed all U.S. and European safety standards. Crocodile Creek drinking bottles fit perfectly inside each lunchbox. For cleaning, simply wipe clean with a damp cloth after use. Lunch boxes are 10"W x 7.5"H x 3"D.
