5" playground balls

Firetrucks and Butterflies. Polka Dots and Jungle Animals. Our 5" playground balls are identical to our 7" play balls in every way (except size). These scaled-down versions are available in the same wide variety as the 7" size. The smaller size makes them perfect for travel. They are available individually or in several perfectly-sized assortments. Maximize your success by offering an assortment of both 5" and 7" play balls in your store. Play balls ship inflated. (available un-inflated upon request). Conforms to or exceeds U.S. and European safety standards. 5" diameter. Made of natural and synthetic rubber.
